ARTICLE 7- GRIEVANCE PROCEDURE

Section 1. Definition.

It is the declared policy of the County and the Union that in the event a grievance should arise as provided in this Article, that the County and the Union will work to timely and expeditiously resolve said grievances in utilization of the procedures described herein. A grievance is defined as a dispute which may arise between the Employer and the employee regarding a violation, misapplication or misinterpretation of a specific provision of this agreement by the County.

The arbitration provisions of this Agreement may only be invoked with the approval of the employee organization and in the case of an employee's grievance only with the approval of the public employee.

Section 2. Grievance Procedure. (Steps).

Should an employee have a grievance, it shall be adjusted in accordance with the following procedure:

Step 1. An employee and/or the Union Steward, shall discuss a complaint or problem orally with their immediate supervisor or their designated representative within, fourteen (14) calendar days following its occurrence in an effort to resolve the problem in an informal manner.

If the County Engineer initiates any action that leads to a Grievance being filed, then Step I shall be waived and the Grievance shall start with Step 2 of the Grievance procedure.

Step 2. If the complaint or problem is not settled in Step 1, it may be appealed, in writing, by the employee or the Union Steward. The employee or their Union Steward shall fill out a grievance form, provided by the Union, and present the grievance to the County Engineer within fourteen (14) calendar days from receipt of the oral answer in Step 1. The County Engineer or their designated representative shall meet with the appropriate Union representative (with or without the aggrieved employee) and attempt to resolve the grievance. A written answer will be placed on the grievance following the meeting, by the County Engineer or their designated representative and returned to the employee and their Union Representative within fourteen (14) calendar days from the date of the 2nd Step meeting with the Engineer.

Step 3. If the grievance is not settled in Step 2 it may be appealed to arbitration by the Union giving written notice of a request for arbitration, submitted to the County Engineer within fifteen (15) calendar days from the date of postmark of the County Engineer's Step 2 answer. Step 2 answers shall be sent by regular U.S. mail or hand delivered. If an unresolved grievance is not appealed to arbitration, it shall be considered terminated on the basis of the Step 2 answer of the County Engineer without prejudice or precedent in the resolution of future grievances. The issue as stated in the Step- 2 meeting shall constitute the sole and entire subject matter to be heard by the arbitrator, unless the parties mutually agree to modify the scope of the hearing.

The failure of any employee to act on a grievance within the prescribed time limits will act as a bar to further appeal. Grievances not answered by the Employer within the prescribed time limits in any step of the grievance procedure shall be automatically appealed to the next step of the Grievance Procedure. Settlement of grievance may or may not be retroactive as the equities of particular cases may demand. In any case, where it is determined that the award should be applied retroactively, the maximum period of retroactivity allowed shall be a date not earlier than one (1) year prior to the date of initiation of the oral grievance at Step 1.

Within fourteen (14) calendar days of the date of the written request for arbitration, the parties shall meet to select an arbitrator. If the representatives of the parties are unable to agree upon the selection of an arbitrator within ten (10) calendar days of the County's receipt of the arbitration notice, the parties or party, acting jointly or separately, shall request in writing the Iowa Public Employment Relations Board to furnish a list of seven (7) arbitrators. Either party may reject the entire list once before the striking procedure begins. Upon receipt of the list, the parties designated representatives shall determine who has the right to strike the first name from the list by a coin toss. Each of the two (2) parties shall alternately strike one (1) name at a time from the panel until only one (1) name shall remain. The remaining name shall be the arbitrator.

The decision of the arbitrator will be final and binding on both parties, provided such decision does not exceed the arbitrator's jurisdiction or authority as set forth above, the arbitrator shall be requested to issue their decision within thirty (30) days after the conclusion of testimony and argument.

The County and the Union will share equally any joint cost of the arbitrator and of the arbitration procedure, including hearing room and fees and expenses of the arbitrator. Each party shall pay its own cost of preparation and presentation for Arbitration. Should the grievance be upheld, the lost wages of the employee and their union steward will be paid by the employer, however, the expense of a stenographic transcript of the arbitration hearing and the costs of any transcripts will be borne by the requesting party without having to furnish a copy to the other party unless the parties mutually agree to share the entire cost. Any other expense shall be paid by the party incurring them.

The arbitrators shall only have authority to determine the compliance with the provisions of this Agreement. The arbitrator shall not have jurisdiction or authority to change, alter, detract from or add to, amend, modify, nullify, or ignore in any way the provisions of this Agreement and shall not make any award which in effect would grant the Union or the Employer any matters which were not obtained in the negotiation process. If the employee files any claim or complaint in any form other than under the grievance procedure of this Agreement, then the Employer shall not be required to process the same claim or set of facts through the grievance procedure.

All grievance and arbitration meetings under this Article are to be open to the public unless the parties mutually agree to hold the hearing in private.

Section 3. Time Limits.

Authority to schedule a hearing rests with the arbitrator should the parties disagree. The parties may, however, mutually agree in writing to extend the time limits in any step of the grievance procedure.

In the event the U.S. mail is used, the mailing of the grievance or response thereto shall be considered timely if postmarked within the time limits. Facsimile may also be used in the grievance appeal process.

Section 4. Number of Stewards.

For informational purposes only, the Union shall provide the Engineer with a written list setting forth the names of Union Stewards.

Section 2. Protective Clothing

Protective clothing such as hard hats and goggles shall be provided by the Employer. The employee shall be liable for said equipment if lost or damaged, except in the performance of duties. Upon separation from employment, the employee will return all articles provided by the Employer. Prior to making any changes in the current safety policy the Employer will notify the union.

Upon successful completion of the introductory period, employees are eligible to receive a reimbursement allowance up to one hundred fifty (\$150.00) dollars per Fiscal Year upon the substantiated claim for the purchase of work-related boots, gloves, hat, insulated bibs/coveralls or construction coat/jacket. The County shall provide forms for the purpose of documenting all purchases. An employee shall submit the completed form(s) and receipt(s) no later than June 1 in order to receive reimbursement for the Fiscal Year.

The County is not responsible for replacing items damaged while in the performance of duties.

Section 3. Substance Abuse

The Employer and the Union will therefore aid such employees who request assistance with such problems. The Employer and the Union will encourage the employee to seek professional assistance where necessary.

Confidentiality

Information concerning an employee's treatment for alcoholism, drug or stress related problems and personnel issues, shall remain confidential. The County Engineer relies on employees to safeguard the confidentiality of information within the County. Paid Vacation earned during any year will be credited to the employee's account on their anniversary date.

During the first anniversary year, an employee is not eligible to earn pro rata vacation time and pay. During the subsequent anniversary employment years, a regular full-time employee can earn pro rata vacation time and pay based upon straight time hours worked if at least twelve hundred (1200) hours worked.

Paid leave time such as compensatory time, sick leave, vacation time, and Recognized holidays are considered as time worked in the computation of vacation time.

All employees who work eighteen hundred (1800) straight time hours in an anniversary year shall be entitled to one hundred percent (100%) of vacation time and pay.

Temporary Emergency Leave:

Employees may use accrued vacation leave for temporary emergency leaves. This leave shall be granted by the Engineer or the immediate supervisor.

Section 2. Choice of Vacation Period.

Employees will normally take vacation in no less than four (4) hour increments. These increments must be approved by the immediate supervisor or the Mills County Engineer. An employee will submit a request for vacation prior to the requested time off except in emergencies.

Employees shall file a written request at least seven (7) calendar days prior to the requested time off for vacation leave of more than three (3) days. The employer will answer the request in writing within five (5) calendar days of the request.

The scheduling of vacation leave is dependent upon the judgment and discretion of the immediate supervisor. The immediate supervisor may require the rescheduling of vacation leave, when, in his judgment, it is necessary for the efficient operation of the department.

Section 3. Vacation Pay.

Vacation pay will be at the employee's normal rate of pay for the day or week for which he would have been regularly scheduled to work.

ARTICLE 11- LEAVES OF ABSENCE

Section 1. Eligibility

Employees shall be eligible for leaves of absence after completing their probationary period.

Section 2. Paid Leaves of Absence

A. Sick Leave

A regular full-time employee who has completed one hundred twenty (120) days of continuous service will be credited with five (5) days of paid sick leave. Thereafter, sick leave will be earned at the rate of one and one fourth (1 1/4) days per month and can accumulate up to a maximum of one hundred (100) days. For the employees who, on July 1 of each calendar year, have a sick leave balance of over 100 days, the County agrees to buy back that amount on a ratio of four (4) hours to every eight (8) hours. The employee shall have the option to either take the buy back in cash, compensatory time or vacation leave by notifying the County Engineer in writing of their desire no later than June 15 of each calendar year. In the event the employee fails to notify the Employer, cash will be paid on a separate check.

Any employee who is unable to report for work on any day because of illness must notify their supervisor of this fact by telephone within fifteen (15) minutes of the time they are scheduled to report for work. Failure to give proper notice may be reason for the refusal of sick leave with pay and result in disciplinary action, unless circumstances are beyond the employee's control.

The Employer may request a written medical certification with diagnosis and prognosis for all sick leave after an employee has used five (5) uncertified days of sick leave in a contract year or if reasonable grounds exist to suspect abuse. After an employee has used five (5) uncertified sick days, the Employer shall advise the employee that a medical certification slip will be needed for the use of sick leave. If the Employer demands an additional form of proof different than that which was furnished by the employee, and involves cost to the employee, the Employer shall pay the cost of such professional services when such verifies that the employee was not abusing sick leave. When the employee is directed to obtain such evidence during his/her hours of scheduled work, the employee shall be allowed time off without loss of pay or other benefits.

For the purpose of this Article, uncertified sick leave days shall mean any sick leave day which was not accompanied by a written medical certification verifying the illness and/or injury. Sick leave utilized for family members is separate and shall not count against the employee's five (5) uncertified sick days.

Sick leave will not be granted if an employee is injured while gainfully employed by a different employer.

Employees within at least one (1) year of seniority who have exhausted their sick leave benefits shall be granted an unpaid leave of absence, without loss of seniority, for the duration of their illness or injury or for thirteen (13) months, whichever is shorter.

Family Illness:

The employee may utilize up to forty (40) hours of sick leave per year for the purpose of attending to family illness. Family shall be defined as spouse, children, step children, grandchildren, mother, father, mother-in-law or father-in-law.

Family shall be defined as the employee's spouse, children, step parents, stepchildren, mother, father, sister, brother, grandparents or grandchildren, niece, nephew, or the employee's mother-in-law, father-in-law, sister-in-law or brother-in-law. Employees required to be a pallbearer shall receive one (1) day paid leave for funerals.

In order to receive payment of such duty, the employee must submit certification of service and assign all fees to the Employer. When released from duty during working hours, the employee will report to work within two (2) hours.

D. Additional Leave

Additional unpaid leave may be granted at the sole discretion of the County Engineer or in his absence the assistant to the Engineer.

E. In the event the employee has an extended injury/illness and has exhausted all sick, compensatory and vacation time, members of the AFSCME Iowa Council 61, AFL-CIO shall be allowed to donate their personal sick leave in no less than eight (8) hour increments to assist said employee. Donated sick leave time shall not exceed ninety (90) calendar days. All requests by employees to donate paid leave shall be in writing and submitted to the County Engineer. Should the Employer suspect sick leave abuse by injured/ill employee, the Employer may deny employee contribution to such employee.

ARTICLE 12- HOURS OF WORK AND OVERTIME

Section 5. Meal Periods

During the normal day, the Employer will grant: a one-half (1/2) hour unpaid lunch period. The time period for this lunch break will normally be from 11:30a.m. to 12:00 noon, however, this time period may vary due to the work load. Supervisors will approve alternate lunch periods if required.

Section 6. Overtime

A. Overtime Compensation

Overtime shall be paid at the rate of time and one-half (1 1/2) the employee's straight time hourly rate for hours worked in excess of forty (40) hours in any work week or in excess of eight (8) hours in any workday. There shall be no pyramiding of overtime.

1. The decision to receive overtime payment in cash or compensatory time rests with the employee.

2. However, compensatory time can only be accumulated to a maximum of eighty (80) hours. Employees who accrue the sick leave conversion as stated in Article 11-Leaves of Absences, Section 2, Paragraph A, Subparagraph 2, may exceed the compensatory time limit by eight (8) hours. Compensatory time is earned at the same rate as overtime pay. At the employee's option, compensatory time of twenty (20) hours may be carried over from one year to the next. This is the maximum that may be carried over each December. Employees who have a compensatory time leave balance of over twenty (20) hours as of the completion of the last pay period in December shall be compensated in cash for all hours over the twenty (20) hour balance at their respective hourly salary. This payment shall be made on the first pay period in January.

The applicant whose job performance, ability and qualifications meet the Engineer's requirements will be given a trial period of no less than thirty (30) days and no more than sixty (60) days. Should the Engineer determine, based upon the employee's job qualifications and past performance, that the trial period is not necessary, the Engineer may waive said trial period at which time the employee will be awarded the position. In the event an employee is unable to perform the work to the Engineer's satisfaction during the trial period, or at the employee's request, the employee shall be returned to their previous position. An employee working in a trial position shall be paid the rate of pay of that position from the beginning of the trial.
